20. The effect of relaxation training on the outcome of delivery. National Congress on Safe Childbirth.
21. The role of relaxation training on the health index of infants. National Congress on Safe Childbirth.

Patents:

head circumstances Digital telemetry.

Approved research projects:

1. Evaluation of relaxation training on the mother's level of Anxiety and attachment to the fetus and newborn in the IVF mothers.
2. head circumstances Digital telemetry.
3. The Effect of Aerobic Exercises on Maternal Outcomes.

IX. Research interests

1. Educational evaluation
2. Midwifery training
3. Clinical education

4. Sexual and Reproductive Health
5. Aging
6. Women's empowerment
7. Health policymaking
8. Maternal and Child Health

X. Language Skills

1. Persian Mother Tongue
2. English Reading, writing, speaking
3. Arabic Reading
