I. Education

Years	Degree	Institute	Location
2000	Associate Operating Room	Lorestan University of Medical Sciences	Iran
2003	Bachelor of Nursing	Shiraz University of Medical Sciences	Iran
2013	Master of Nursing	Shiraz University of Medical Sciences	Iran
2021	PhD of Nursing	Shiraz University of Medical Sciences	Iran

Lecturer	<p>Lecturer: Surgical Technologies in Heart, Vascular & Thorax surgery Surgical Technologies in Gastrointestinal & Endocrine surgery Surgical Technologies in Orthopedic surgery Surgical Technologies in Neurosurgery Sterilization principles in operating room surgical procedures1 surgical procedures2 surgical procedures4 Seminar</p>
-----------------	---

II. Professional experience

Years	Position	Institution	Location
1111-1110	Operating room staff	Namazi Hospital	Iran
2002-2012	Operating room staff	Dena Hospital	Iran
2012 up to now	Instructor	School of Nursing	Iran

III. Teaching experiences

Years	Course	University	Students
2012 up to now	Surgical Technologies in Heart, Vascular & Thorax surgery	Shiraz University of Medical Sciences	Bachelor of operating room students
2012 up to now	Surgical Technologies in Gastrointestinal & Endocrinesurgery	Shiraz University of Medical Sciences	Bachelor of operating room students
2012 -2018	Surgical Technologies in Orthopedicsurgery	Shiraz University of Medical Sciences	Bachelor of operating room students
2012 -2018	Surgical Technologies in Neurosurgery	Shiraz University of Medical Sciences	Bachelor of operating room students
2013	Sterilization principles in operating room	Shiraz University of Medical Sciences	Bachelor of operating room students
2014	Surgical Technologies in Gastrointestinal & Endocrinesurgery	Estahban Paramedical School	Bachelor of operating room students

2015 up to now	surgical procedures1	Shiraz University of	Master of operating room students
2015 up to now	surgical procedures2	Medical Sciences	Master of operating room students
2015 up to now	surgical procedures4	Shiraz University of	Master of operating room students

Honors and Awards

1. First rank faculty member in 2011
2. First rank nurse in Shiraz University of Medical Sciences in 2012
3. First rank professor by the students in 2015
4. First rank provincial nurse in 2020
5. best process position in the Motahari festival in 2013 with the title "Setting up a nurse-oriented training clinic for a solution to the stability of the therapeutic range of INR in patients with neurological disorders requiring warfarin use"

IV. Membership:

1. The scientific secretary of the first national conference examining the opportunities and challenges of the operating room in 2012
2. Member of the Educational Council of the Faculty of Nursing and Midwifery in Shiraz since 2019
3. Member of the Research Council of Shiraz Nursing and Midwifery Faculty from 2019 to now
4. The Scientific Secretary of the Scientific, Educational, Research and Trade Association of Shiraz Surgical Technologists from 2015 to 2022

V. Publications:

A. Dissertations:

1. Marzieh Kargar, Afshin Borhani Haghghi, Mohammad Zare, Mina Amiri. The effect of nurse-led care on stability time in therapeutic range of INR in ischemic stroke patients receiving warfarin to obtain a master's degree in nursing
2. Kamelia Torabizadeh, Zahra Keshtkaran, Mina Amiri. Design and

validation of occupational safety and health program in operating room personnel: a mixed method study to obtain a doctorate in nursing

B. Articles

1. Amiri M, Kargar M, Borhanihaghghi A, Soltan Fi, Zare N, The effect of nurse-led care on stability time in therapeutic range of INR in ischemic stroke patients receiving warfarin. *Applied Nursing Research* :2016;96–101
2. Amirghofran AA, Nick N, Amiri M, Hemmati R. Use of Cardiopulmonary Bypass for Management of Massive Air Embolism During Hysteroscopic Metroplasty. *The journal of extra-corporeal technology*. 2016 Dec;48(4):198.
3. Amirghofran AA, Karami A, Amiri M, Hemmati R, Vatankhah P. Evaluation of Blood Hemodynamics in Vascular Grafts after Total Arterial Coronary Revascularization. *International journal of medical research & health sciences*. 2016 Jan 1;5(7):54-7.
4. Fereidouni A, AlirezaMoayedi S. Application of Electrosurgical Units by Operating Room Personnel: Development and Psychometric Testing of an Instrument. *Shiraz E-Medical Journal*.;21(2).
5. Fereidouni A, Torabizadeh C, Moayedi SA, Amiri M. Investigating the Extent of Operating Room Personnel's Compliance with the Principles of Using cautery Units and its Relationship with their Demographic Variables in University Hospitals Affiliated to Shiraz University of Medical Sciences. *Sadra Medical Journal*. 2020 Jul 22;8(3):263-72.
6. Amiri M, Khademian Z. Simulation-Based Training in Operating Room: A Review Study. *Iranian Journal of Medical Education*. 2018; 18 :496-505

7. Dore MA, Torabizadeh C, Keshtkaran Z. Threats to operating room personnel's occupational safety and health: a qualitative study. *Anaesthesia, Pain & Intensive Care*. 2022 Apr 6;26(3):368-81.
8. Amiri M, Momennasab M, Yektatalab S, Hamidizadeh S, Rahimi Z. Effectiveness of an operating room master of science program based on Kirkpatrick's model. *Research and Development in Medical Education*. 2022 Jul 23;11(1):13-
9. Bagheri M, Torabizadeh C, Amiri M, Adelmanesh Y. Development and psychometric evaluation of a questionnaire for assessment of exposure to chemical hazards in operating room nurses. *Perioperative Care and Operating Room Management*. 2023 Sep 1;32:100334.

C. Books

1. Amiri M, Moazamfard M, Rahmanian A. Neurosurgical technologies. Avand Andishe publication. 2015
2. Amiri M, Yosefi M. Neurosurgical technologies tests. Noor danesh publication. 2016
3. Amiri M, Bijani M, Tavakol R, Fereidoni A, Ghanavati M. Organ Transplantation, Jame-e-Negar publication. 2020

VI. Presentations in Congress

- 1.** Mina Amiri, Reza Tavakol (presenter), Farzad Abedzadeh. Evaluation of surgical wound infections, the second annual research conference of operating room students, Gonabad University of Medical Sciences, 1398
- 2.** Zohreh Badieh Pima, Mina Amiri (presenter), Marzieh Momen Nasab, Shahrzad Yektaleb. Evaluation of the effectiveness of the operating room master's course on the Kirk Patrick model, Shiraz University of Medical Sciences, 1400
- 3.** Feridouni A, Timuri I, Amiri M. Safety of patients and operating room personnel in the use of electrosurgery devices in surgery: design and psychometric of the tool, in the international congress and the 14th conference of new health sciences of the country, date: February 22 and 23, 1401

VII. Thesis Supervision and Advisement

Years	Student	Title of Dissertation	Role	School/ University
2018	Fereidoni, Armin	The effect of educational intervention on the performance of operating room personnel in the use of electrosurgery in hospitals affiliated to Shiraz University of Medical Sciences	Advisor	Shiraz University of Medical Sciences
2014	Hemati Rahim	Investigating the reuse of open left internal mammary artery as an arterial graft in patients requiring re-operation of coronary bypass surgery	Assistant	Shiraz University of Medical Sciences
2021	Mashali Hadi	The effect of yoga exercise on successful aging based on management life model strategies in elderly in Shiraz 2021_2022	Advisor	Shiraz University of Medical Sciences
2021	Bagheri Magid	Design and validation of a tool for measuring exposure to chemical and biological hazards in operating room personnel	Advisor	Shiraz University of Medical Sciences
2022	Abedi Somayeh	Development and psychometrics of occupational psychological hazards assessment instrument for the operating room personnel	Advisor	Shiraz University of Medical Sciences
2022	Adelmanesh Yaser	Development and psychometric of a questionnaire for evaluation of physical and ergonomical safety in operating room personnel	Advisor	Shiraz University of Medical Sciences

VIII. Research interests

1. Quantitative research (Clinical Trials)
2. Cardiac Diseases
3. Neurovascular Diseases
4. Qualitative research

IX. Language Skills

Four English language skills
