

Curriculum Vita

- **First Name:** Nilofar
- **Family Name:** Pasyar
- **Date of Birth:** 03-09-1972
- **Place of Birth:** Shiraz, Iran
- **Nationality:** Iranian
- **Marital Status:** Married

Work Address

Medical Surgical Nursing Department
School of Nursing and Midwifery
Nemazee Square, Zand Blvd.
Shiraz, Iran

Postal Code: 71936-13119

P.O. Box: 71345-1359

Tel: +98 71 36474254-207

Fax: +98 71 364774252

Email: npasyar@sums.ac.ir

Alternative Email: pasyarn@yahoo.com

I. Education

Years	Degree	Institution	Location
2015	PhD in Nursing Education	Shiraz University of Medical Sciences	Shiraz, Iran
1998	MSc in Nursing (Education)	Shiraz University of Medical Sciences	Shiraz, Iran
1994	BSc in Nursing	Arak University of Medical Sciences	Arak, Iran

II. Professional Experience

Years	Position	Institution	Location
2025-Present	Professor	Shiraz University of Medical Sciences	Shiraz, Iran
2020-2025	Associate Professor	Shiraz University of Medical Sciences	Shiraz, Iran
2015-2020	Assistant Professor	Shiraz University of Medical Sciences	Shiraz, Iran
2001-2015	Instructor / Faculty Member	Shiraz University of Medical Sciences	Shiraz, Iran

III. Teaching Experiences

A. Postgraduate Courses

- Qualitative Research for PhD Students in Nursing Education (from 2017 - Present)
- Nursing Education Systems for PhD Students in Nursing Education (from 2017 - Present)
- Qualitative Research for MPH Students (from 2018 - Present)
- Qualitative Research for Health and Disasters Students (from 2019 - Present)
- Critical Care Nursing for MSc Nursing Students (from 2014 - Present)
- Palliative Care Nursing for MSc Nursing Students (from 2015 - Present)
- Nursing Ethics for MSc Nursing Students (from 2015 - Present)
- Complementary Medicine in Nursing for MSc Nursing Students (from 2016 - Present)
- Management in Nursing for MSc Nursing Students (from 2015 - Present)
- Critical Care Nursing (2) for MSc Nursing Students (from 2015 - Present)
- Critical Care Nursing (7) for MSc Nursing Students (from 2017 - Present)
- Critical Care Nursing (6) for MSc Nursing Students (2015-2018)

B. Undergraduate Courses

- Adult Nursing 1 for Nursing Students (from 2014 - Present)
- Nursing Ethics for BSc Nursing Students (from 2015 - Present)
- Management in Nursing for BSc Nursing Students (from 2015 - Present)

- Medical Surgical Nursing 3 for Nursing Students (2003-2004)
- Medical Surgical Nursing 1-4 for Nursing, Emergency and OR Students (2001-2007)
- First Aid in Nursing for BSc Nursing Students (2001-2006)
- First Aid in Health for BSc Health Students (2001-2004)

IV. Honors and Awards

- First rank of undergraduate nursing course, Arak University of Medical Sciences, 1994
- First rank of the master's degree program in nursing education, Shiraz University of Medical Sciences, 1998
- Active researcher of Shiraz Nursing and Midwifery School, 2002
- Worthy faculty member in Kimia Shargh Festival, 2008 and 2009
- Worthy faculty member of Shiraz University of Medical Sciences, 2009
- Receiving the highest educational evaluation score in Shiraz University of Medical Sciences, Shiraz School of Nursing, 2010
- The 23rd Festival of Quran and Etrat University - Third rank in the art section of photography, professors section, 2018
- The 23rd Festival of Quran and Etrat University - Sixth rank in the field of essay writing, professors section, 2018
- The 24th Festival of Quran and Etrat University - Seventh rank of the rulings, professors section, 2020
- The 25th Quranic Festival of University - Award worthy of appreciation, 2020
- Distinguished Educational Professor of the Year 1404 (2025), Shiraz University of Medical Sciences

V. Membership

A. Academic and Administrative Positions

- Professor and Faculty Member, Shiraz School of Nursing and Midwifery (2025-Present)
- Director of Postgraduate Studies Department, 2023-2025
- Secretary of the Research Ethics Committee, College of Nursing and Midwifery, and Management and Information, 2024-2025
- Director of Critical Care Nursing Department, School of Nursing and Midwifery, Shiraz University of Medical Sciences, 2022-2023
- Faculty member, Department of Medical Surgical Nursing and critical care nursing, since 2005
- Clinical supervisor of Medical Surgical Nursing group, Shiraz School of Nursing and Midwifery, 2015-2017

- Instructor of Clinical and Educational Workshop Group, Shiraz School of Nursing and Midwifery, since 2017
- Representative of Educational accreditation, Shiraz School of Nursing and Midwifery, since 2017
- Representative of Educational accreditation of the doctoral course in nursing, Shiraz School of Nursing and Midwifery, since 2020
- Representative of the accreditation package of educational institutions and hospitals, Shiraz School of Nursing and Midwifery, since 2019
- Representative of Postgraduate program, Shiraz School of Nursing and Midwifery, 2019
- Scientific Secretary of Nursing Branch, 8th Cardiovascular Congress of Kowsar Hospital, 2018
- Scientific Secretary of Continuing Medical Education Programs, 2017-2019
- Member of the Research Council of Shiraz School of Nursing and Midwifery, 2021
- Member of the Board, 7th International Congress of Cardiovascular Diseases, 2016
- Member of the Board, 8th International Congress of Fars Heart Foundation, 2018
- Member of Executive Scientific Committee, 7th National Seminar on Obesity and Related Diseases
- Member of the Executive Scientific Committee of Kowsar Heart Congresses
- Member of PHD Faculty Council, Shiraz School of Nursing and Midwifery, 2016-2017
- Member of the educational council, Shiraz School of Nursing and Midwifery, 2015-2017
- Member of the second stage of PhD exam in nursing, 2016-2017
- Student advisor since 2015
- Exam board member, call for clinical faculty recruitment, Shiraz School of Nursing and Midwifery, 2016
- Member of Home Visiting Committee, Shiraz School of Nursing and Midwifery, 2006-2007
- Member of the Talent Committee, Shiraz School of Nursing and Midwifery, 2007-2010
- Member of the Cultural Council, Shiraz School of Nursing and Midwifery, 2007-2010
- Journal Clubs Program Coordinator, Shiraz School of Nursing and Midwifery, 2008-2010
- Authorized representative of Health Week, Member of the Cultural Council, 2009-2011
- Member of Health Week programs since 2009

B. Editorial and Reviewer Roles

- Member of the editorial board, International Journal of Community Based Nursing and Midwifery, 1996-1999
- Member of the editorial board, Sadra Journal of Medical Sciences, 2017-2021
- Reviewer of the International Journal of Community Based Nursing and Midwifery, since 2015
- Reviewer of Iranian Journal of Nursing and Midwifery, since 2017
- Reviewer of Shiraz International Journal of Cardiovascular Research, since 2015
- Reviewer of Shiraz Cancer Medical Journal, since 2017

C. Research Center Affiliations

- Member of Community Based Psychiatric Care Research Center, since 2018

VI. Publications

A. Dissertations

- **Ph.D. Thesis:** Patient experiences of living with implantable cardioverter defibrillators [Persian]. PhD Thesis, Shiraz University of Medical Sciences; 2015.
- **MSc Thesis:** Investigating the effect of education on knowledge and performance of protective points of anti-cancer drugs in the medical staff of Shiraz University of Medical Sciences, 1998.

VII. Presentations in Congress

Presentation	Congress	Date
2025 (1404)		
The predictive effect of health anxiety on the resilience of women undergone hematopoietic stem cell transplantation (Poster)	7th Annual Congress of Iranian Psychosomatic Medicine Association, Tehran, Iran	May 2025

Qualitative Investigation of Barriers and Strategies of Psychological Adjustment in Women with Psychosomatic Disorders (Poster)	7th Annual Congress of Iranian Psychosomatic Medicine Association, Tehran, Iran	May 2025
Effect of Virtual Content on Illness Anxiety and Symptom Exacerbation: A Systematic Review	7th Annual Congress of Iranian Psychosomatic Medicine Association, Tehran, Iran	May 2025
The relationship between hope and demographic characteristics among patients with acute coronary syndrome: a descriptive-correlational study (Poster)	16th Middle East Cardiovascular Congress (MECC) and 9th Congress of Clinical Cases in Complex Cardiovascular Therapeutics, Shiraz, Iran	January 22-24, 2025
The relationship between illness perception and demographic characteristics among patients with acute coronary syndrome: a descriptive-correlational study (Poster)	16th Middle East Cardiovascular Congress (MECC) and 9th Congress of Clinical Cases in Complex Cardiovascular Therapeutics, Shiraz, Iran	January 22-24, 2025
Investigating the relationship between clinical competence and moral climate of female nursing internship students of Shiraz University of Medical Sciences (Poster)	13th International Conference on Women's Health and 5th International Conference on Social Studies in Health, Shiraz, Iran	November 2024
Investigating the relationship between stress and work ability of mothers with premature infants in the intensive care unit (Poster)	13th International Conference on Women's Health and 5th International Conference on Social Studies in Health, Shiraz, Iran	November 2024
Biosocial Identity Enhanced and Ethical Dilemmas in the Era of Human Biological Enhancement: A Systematic Review	12th Annual Congress of Medical Ethics and 9th Congress of Nursing Ethics, Hamedan, Iran	November 2024

2024 (1403)		
Common Pain Relief Methods in Children with Congenital Heart Diseases: A Scoping Review (Poster)	10th National Students Congress on New Horizons in Rehabilitation Sciences, Shiraz, Iran	May 2024
2021 (1400)		
The Role of Telemedicine during COVID-19 Epidemic	International E-conference on COVID-19 and Health System: The Lessons Learned	June 24, 2021
Students' Perception of Nursing Role Function (SP-NRF): Development and Psychometric Testing	22th National Conference on Medical Education	May 19, 2021
Mobile Health in Chronic Disease Management (Poster)	Shiraz International mHealth Congress, Shiraz University of Medical Sciences, Shiraz, Iran	February 16-18, 2021
The Effect of Virtual Education and Counselling on Nurses' Psychological Health Who Caring for COVID-19 Patients (Co-author)	Shiraz International mHealth Congress, Shiraz University of Medical Sciences, Shiraz, Iran	February 16-18, 2021
The association between the use of electronic devices and body mass index in healthy individuals (Co-author)	Shiraz International mHealth Congress, Shiraz University of Medical Sciences, Shiraz, Iran	February 16-18, 2021
Evaluation of the association between sleep quality and physiological indices in patients with acute myocardial infarction admitted in coronary care units	13th Middle East Cardiovascular Congress and 6th Congress of Clinical Cases in Complex Cardiovascular Therapeutics	October 21-26, 2021
The effect of reflexology on cardiovascular diseases	13th Middle East Cardiovascular Congress and 6th Congress of Clinical Cases in Complex Cardiovascular Therapeutics	October 21-26, 2021

Risk factors of atrial fibrillation after coronary artery bypass graft surgery	13th Middle East Cardiovascular Congress and 6th Congress of Clinical Cases in Complex Cardiovascular Therapeutics	October 21-26, 2021
The association between shock anxiety and spiritual wellbeing in patients with Implantable Cardioverter Defibrillator	13th Middle East Cardiovascular Congress and 6th Congress of Clinical Cases in Complex Cardiovascular Therapeutics	October 21-26, 2021
The association between sleep quality and pain, laboratory test and clinical characteristics in lymphoma patients undergoing chemotherapy	5th International Cancer Congress	October 30, 2021
Music intervention in burn patient's management	10th National Burn Congress	October 28-30, 2021
2020		
Effect of Lemon or lemon citrus on prevention and cure of cardiovascular diseases	12th Middle East Cardiovascular Congress and 5th Congress of Clinical Cases in Complex Cardiovascular Therapeutics, Shiraz	November 20, 2020
Vitamin D supplement and prevention of cardiovascular disease	12th Middle East Cardiovascular Congress and 5th Congress of Clinical Cases in Complex Cardiovascular Therapeutics, Shiraz	November 19, 2020
2018		
Tele nursing in patients with heart disease	8th International Kowsar Hospital Congress	April 26, 2018
Self-care aspects in patients with implantable cardioverter defibrillator	8th International Kowsar Hospital Congress	April 24-27, 2018

2017		
ECG reading	10th Middle East Cardiovascular Congress, Kish	December 7, 2017
Cardiac radiofrequency ablation – update for nurses	10th Middle East Cardiovascular Congress, Kish	December 6, 2017
2016		
Prevention & early identification of arrhythmia & nursing approach	5th International Preventive Cardiology Congress	September 28, 2016
Diagnosis and management of angina and related care	The 7th Kowsar Hospital Congress on Updates of C.V Diseases	April 27, 2016
2015		
Method of measurement in patients with CVD	4th International Preventive Cardiology Congress	September 30, 2015
2014		
Nature and dimensions of compulsion in Iranian patients with ICD: A qualitative study	3rd International Preventive Cardiology Congress	October 2014
2012		
Exercise and reduce risk factors of CAD	1st Middle East Congress of Preventive Cardiology	2012
Body mass index and risk of the new-onset atrial fibrillation in patients undergoing coronary artery bypass graft surgery in Shiraz-Iran	6th Middle East Cardiovascular Congress	January 24, 2012
2010		
Prevalence of risk for mental disorder among paramedical students at the Fatemeh Nursing & Midwifery College of the Shiraz University of Medical Sciences	Migration, Next Generation and the Future of Psychiatry - International Conference on Transcultural Psychiatry	June 13, 2010

2009		
Impact of education on the knowledge and performance of protective measures of anticancer drugs in clinical staff	33rd International Congress on Supportive and Palliative Care in Cancer	December 5, 2009
Cardiac arrhythmia and related nursing care	Cardiovascular Research Center, Shiraz University of Medical Sciences, Shiraz, Iran	March 2, 2009
2007		
The Impact of an intervention on nurses HIV/AIDS knowledge and compliance with universal precaution procedures in emergency department in Shiraz-Iran	International Union Against Tuberculosis & Lung Disease, Kuala Lumpur	2007
2002		
A case control study among female nursing staff in relation to menstrual disturbances and exposure to chemotherapy in Nemazi Hospital/Shiraz/Iran 2001	Fifth International Nursing Conference / International Convention Center, Brunei Darussalam	October 28-31, 2002
2000		
The effect of an educational program on the use of protective devices by the staff of Shiraz University of Medical Sciences during exposure to anticancer drugs and their metabolites	Innovation in Health Professions Education and Community-Oriented: Implementation Sustainability and Best Evidence of Effectiveness, Manama, Bahrain	October 21-26, 2000

Before 2000		
Investigating the effect of education on knowledge and performance of protective points of anti-cancer drugs in the medical staff of Shiraz University of Medical Sciences (MSc Thesis)	Shiraz University of Medical Sciences	1998
First rank of undergraduate nursing course (Award)	Arak University of Medical Sciences	1994
Undated		
Pain management in patients with heart disease	5th Symposium Kowsar Hospital	N/A
Lycopene and heart health	5th Symposium Kowsar Hospital	N/A
The effects of pomegranate juice consumption on blood pressure	5th Symposium Kowsar Hospital	N/A
Terminal care in patients with ICDs	6th Symposium Kowsar Hospital	N/A
Nursing process in patient with cardiac dysrhythmia	5th Middle East Cardiovascular Congress	N/A
Educational effect on staff knowledge about CPR and FIRST AID	5th Middle East Cardiovascular Congress	N/A

VIII. Thesis Supervision and Advisement

A. Role: Supervisor

Years	Student	Title of Dissertation	School/University
2024	Samira Node	The effect of educational intervention on the knowledge and attitude of pressure injury prevention and patient safety attitude in nurses working in operating rooms affiliated to Shiraz University of Medical Sciences.	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

2024	Ahmadreza Baziari	The effect of supportive nurse led App on pain anxiety, quality of social communication, eye dryness and fatigue in sjogren's patient referred to medical educational centers in Shiraz University of Medical Sciences 2024-2025	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2024	Mahboobeh Bahrami	Investigating the effect of remote care training based on mobile phone on the care burden and resilience of family caregivers of patients with implantable cardioverter-defibrillator referring to medical centers in Shiraz 2024-2025	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2023	Fatemeh Parvizi	The effect of the Emotional Freedom Techniques on fatigue, anxiety and symptoms burden of patients under hemodialysis Referring to the dialysis center of Imam Reza clinic in Shiraz, 2023-2024	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2022	Marzieh Soltanian	The predictive role of resilience and ethical climate of the hospital on fatigue of surgical technologists working in the operating room of Shiraz University of Medical Sciences, 1401-1400	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Ameneh Faraghi	The investigation of predicting role of illness perception, hope and perceived social support on loneliness feeling in acute coronary syndrome patients in 2021	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Ayda Sam Khabbaz	Effect of medical team supportive intervention through social networks on health anxiety and acceptance of disability in patients with systemic lupus erythematosus referred to selected educational and medical centers affiliated to Shiraz University of Medical Sciences-2020	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

2021	Mansooreh Aghababee	The Effect of Inhalation of Melissa officinalis essence on symptom burden and Anxiety of Patients under Hemodialysis Referring to the dialysis center of Hazrat Zahra Marzieh Hospital in Isfahan; 2021	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Razieye Parnian	Design, implementation and evaluation of self-management program in patients with scleroderma: a Mixed method Study	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Zaynab Mazaree	The effect of predictive role of uncertainty intolerance and parental stress on well-being Psychology of parents with newborns admitted to the intensive care unit of Hazrat Valiasr Hospital in Kazerun	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2020	Fatemeh Danehyar	The effect of education based on age friendly hospital principles on nurses knowledge and attitude toward care of older patients in hospitals affiliated to Shiraz University of Medical Sciences	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2020	Fatemeh Zahedi	The relationship between anxiety and pain, fatigue, nausea and vomiting in patients undergoing hematopoietic stem cell transplantation admitted in Namazi Hospital of Shiraz in 2020	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2018-2019	Asghar Zarea Mehrabadi	The predictor roles of spiritual well-being, healthcare professionals' support and shock anxiety with Implantable cardioverter defibrillator acceptance in patients referred to pacemaker clinic of medical centers affiliated to Shiraz University of Medical Science in 2018-2019	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

2018-2019	Mostafa Jowkar	The effect of peer support on hope, acceptance of disability and social relational quality in patients undergoing hemodialysis referred to hemodialysis centers affiliated to Shiraz University of Medical Sciences 2018-2019.	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2018	Zahra Behroozi	The Predictor Roles of Perceived Social Support and Spiritual Intelligence in Hope in Thalassemic Patients referring to Shahid Dastgheib Hospital in Shiraz, 2018	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2017	Nazanin Barshan Tashnizi	The Effect of Yoga exercise on Quality of Life and Arm volume in women with post Mastectomy Lymphedema, Shahid Motahari Clinic, 2017	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2017	Fatemeh Araghi	Effects of bergamot essential oil aromatherapy on anxiety, salivary cortisol and alpha-amylase levels in patients undergoing laparoscopic cholecystectomy surgery in Emam Reza Hospital of Mashhad, 2017	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2017	Fatemeh Rezaee Kakhaee	The effect of foot massage on sleep quality, severity of pain, and anxiety in patients with tibial fracture repaired by surgery in Khatam Alnabiah Hospital, Zahedan, 2017	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

B. Role: Advisor

Years	Student	Title of Dissertation	School/University
2024	Fatemeh Kariminejad	Investigating the effect of virtual training of patient privacy protection behaviors on respect for patient privacy and moral sensitivity in surgical technologist students of Shiraz University of Medical Sciences, 2024-2025	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

2023	Atefeh Abbasi	Investigating the predictive role of the quality of social relationships and ethical climate on the sleep quality of operating room employees of Shiraz University of Medical Sciences, 2023-2024	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2023	Bahman Mokhtarinia	Investigating The mediating role of health anxiety, pain and body image on the relationship between resilience and sleep quality in patients after stem cell transplantation referred to clinic of affiliated to Shiraz University of Medical Sciences, 2023-2024	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2023	Safoura Zareenejad	Investigating the mediating roles of hope and social support on the relationship between fatigue and caregiving burden of family caregivers of brain tumor patients who referred to Shiraz University of Medical Sciences, 2023-24	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2022	Samira Rohaninaab	The effect of professional support intervention through social network on fatigue, shock anxiety and acceptance of implantable cardiac defibrillator in patients referred to selected centers of Shiraz University of Medical Sciences, 2021-2022	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Zahra Karymian	The effect of aromatherapy with Lemon essential oil on anxiety, physiologic indices and nausea & vomiting in patients undergoing lower limb fractures surgeries in hospitals affiliated to Shiraz University of Medical Sciences, 2021-2022	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Freshte Abbasi	Assessing Relationship between Nursing Professional Practice Environment with Missed Care and Quality of Care among Nurses in Hospitals Affiliated to Shiraz University of Medical Science	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

2021	Fatemeh Irannejad Parizi	The effect of virtual child disease management program on caregiver burden and social adjustment in parents of children with coagulation factors deficiencies referring to Hemophilia center affiliated to Shiraz University of Medical Sciences, 2020-2021.	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Mehdi Karimyar	Nursing students Live experience from internship program	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2021	Zahra Janaati	Investigating the effect of the implementation of the care package for the prevention of central venous catheter-related blood infection on the incidence of this infection in patients admitted to adult special care units in Namazi Hospital, Shiraz.	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2020	Sara Bagheri	The relationship between cognitive function and imbalance with dietary habits and herbs in the elderly with Parkinson's disease	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2019	Mahsa Mokhtarizadeh	Evaluation of some predictors of hope in hemodialysis patients referred to Shiraz University of Medical Sciences, 2019	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran
2017	Mohammad Shamsedini	The effect of reflexology massage on fatigue, pain and sleep quality in patients with lymphoma in educational centers of Shiraz University	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

2017	Mehdi Abaasi	The effect of using sandbags and early mobilization on hematoma and subclinical deep vein thrombosis of patients undergoing cardiac radiofrequency catheter ablation referred to Sahid Faghihi Hospital of Shiraz Iran in 2017	School of Nursing and Midwifery, Shiraz University of Medical Sciences, Shiraz, Iran

IX. Research Projects

A. Role: Principal Investigator / Main Researcher

Years	Project Title	Role	Institution
2024-2025	The effect of supportive nurse led App on pain anxiety, quality of social communication, eye dryness and fatigue in sjogren's patient referred to medical educational centers in Shiraz University of Medical Sciences	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2024-2025	Investigating the effect of remote care training based on mobile phone on the care burden and resilience of family caregivers of patients with implantable cardioverter-defibrillator referring to medical centers in Shiraz	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2023-2024	The effect of the Emotional Freedom Techniques on fatigue, anxiety and symptoms burden of patients under hemodialysis Referring to the dialysis center of Imam Reza clinic in Shiraz	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2021-2022	Design, implementation and evaluation of self-management program in patients with scleroderma: a Mixed method Study	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	The investigation of predicting role of illness perception, hope and perceived social support on loneliness feeling in acute coronary syndrome patients	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran

2021	Effect of medical team supportive intervention through social networks on health anxiety and acceptance of disability in patients with systemic lupus erythematosus	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	The Effect of Inhalation of Melissa officinalis essence on symptom burden and Anxiety of Patients under Hemodialysis	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	The effect of predictive role of uncertainty intolerance and parental stress on well-being Psychology of parents with newborns admitted to the intensive care unit	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2022	The predictive role of resilience and ethical climate of the hospital on fatigue of surgical technologists working in the operating room	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2020	The effect of education based on age friendly hospital principles on nurses knowledge and attitude toward care of older patients	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2020	The relationship between anxiety and pain, fatigue, nausea and vomiting in patients undergoing hematopoietic stem cell transplantation	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2018-2019	The effect of peer support on hope, acceptance of disability and social relational quality in patients undergoing hemodialysis	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2018-2019	The predictor roles of spiritual well-being, healthcare professionals' support and shock anxiety with Implantable cardioverter defibrillator acceptance	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran

2018	The Predictor Roles of Perceived Social Support and Spiritual Intelligence in Hope in Thalassemic Patients	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2017	The Effect of Yoga exercise on Quality of Life and Arm volume in women with post Mastectomy Lymphedema	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2017	Effects of bergamot essential oil aromatherapy on anxiety, salivary cortisol and alpha-amylase levels in patients undergoing laparoscopic cholecystectomy surgery	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran
2017	The effect of foot massage on sleep quality, severity of pain, and anxiety in patients with tibial fracture repaired by surgery	Principal Investigator	Shiraz University of Medical Sciences, Shiraz, Iran

B. Role: Research Collaborator

Years	Project Title	Role	Institution
2024-2025	Investigating the effect of virtual training of patient privacy protection behaviors on respect for patient privacy and moral sensitivity in surgical technologist students	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2023-2024	Investigating The mediating role of health anxiety, pain and body image on the relationship between resilience and sleep quality in patients after stem cell transplantation	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2023-2024	Investigating the mediating roles of hope and social support on the relationship between fatigue and caregiving burden of family caregivers of brain tumor patients	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2023-2024	Investigating the predictive role of the quality of social relationships and ethical climate on the sleep quality of operating room employees	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran

2021-2022	The effect of professional support intervention through social network on fatigue, shock anxiety and acceptance of implantable cardiac defibrillator	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2021-2022	The effect of aromatherapy with Lemon essential oil on anxiety, physiologic indices and nausea & vomiting in patients undergoing lower limb fractures surgeries	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	Assessing Relationship between Nursing Professional Practice Environment with Missed Care and Quality of Care among Nurses	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	The effect of virtual child disease management program on caregiver burden and social adjustment in parents of children with coagulation factors deficiencies	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	Nursing students Live experience from internship program	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2021	Investigating the effect of the implementation of the care package for the prevention of central venous catheter-related blood infection	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2020	The relationship between cognitive function and imbalance with dietary habits and herbs in the elderly with Parkinson's disease	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2019	Evaluation of some predictors of hope in hemodialysis patients	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran

2017	The effect of reflexology massage on fatigue, pain and sleep quality in patients with lymphoma	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
2017	The effect of using sandbags and early mobilization on hematoma and subclinical deep vein thrombosis of patients undergoing cardiac radiofrequency catheter ablation	Research Collaborator	Shiraz University of Medical Sciences, Shiraz, Iran
